(An autonomous institute)

Department of Computer Science and Business Systems

Activity 01

- **Name of the Activity:-** Industry Advisory Panel meeting (IAP)
- **Date and Time:** 15th to June, 2023 (One Day) from 09:30 am to 4:30 pm
- **Mode:** Online
- **Venue :** AIML dept.,KITCoE,Kolhapur
- **Attendees:** Staff members
- **Coordinators:** Mr.Jambukeshwar Pujari Assistant Professors, CSBS
- **Convenor:** Dr. L.A.Hadimani, Head, CSBS
- **Expert/Instructor Details:**
 - PAC Members

1. Contents:

- Identifying Key Learning Objectives
- Incorporating Innovative Teaching Methodologies.
- Addressing evolving industry needs.

Details:-

Industry Advisory Panel meeting (IAP)

Our dedicated IAP and BOS members delved into a comprehensive agenda. Topics ranged from identifying key learning objectives and incorporating innovative teaching methodologies to addressing evolving industry needs. Engaging in thoughtful deliberations, the agenda emphasized Designing and finalizing Syllabus structure that not only meets stringent academic standards but also resonates with the practical challenges students may encounter in the real world.

Activity 02

- **Name of the Activity:-** Board of Studies Meeting (BOS)
- **Date and Time:** 19th June, 2023 (One Day) from 09:30 am to 4:30 pm
- **Mode:** Online
- **Venue :** AIML dept.,KITCoE,Kolhapur
- **Attendees:** Staff members
- **Coordinators:** Dr. Manjunath Hudagi Associate Professor Dept. of CSBS
- **Convenor:** Dr. L.A.Hadimani, Head, CSBS
- **Expert/Instructor Details:**
 - PAC Members

2. Contents:

- finalizing Syllabus structure

Activity 03

- **Name of the Activity:-** Parent Teacher Meet(PTA)
- **Date and Time:** 09th Sept. 2023 (One Day) from 09:30 am to 4:30 pm
- **Mode:** Offline
- **Venue :** Seminar Hall
- **Attendees:** Parents
- **Coordinators:** Mr. Kiran PAtil Assistant Professor Dept. of CSBS
- **Convenor:** Dr. L.A.Hadimani, Head, CSBS
- **Expert/Instructor Details:**
 - Mr. Amey Zare, TCS Pne.

3. Contents:

- Significance of holistic development.
- Evolving industry landscape.
- Education Role

Details:-

Parents-Teacher meet

The Parent-Teacher Meeting (PTM) for First Year students was a resounding success, with Mr. Amey Zare, a distinguished professional from TCS Pune, serving as the Chief Guest. Mr. Zare's profound insights not only highlighted the significance of holistic development but also shed light on the evolving industry landscape and the crucial role education plays in preparing students for it. The PTM provided a valuable platform for open dialogue between parents and faculty, facilitating discussions on academic progress, personal development, and strategies for success. Parents had the opportunity to gain a deeper understanding of the academic journey and the various initiatives in place to ensure the overall growth of their children.

Activity 04

- **Name of the Activity:-** TCS FDP on Fundamentals of Computer Science

- **Date and Time:** 03rd October 2023 (One Day) from 09:30 am to 4:30 pm

- **Mode:** Online

- **Venue :** Online

- **Attendees:** All CSBS Students & Faculty

- **Coordinators:** Mr. Onkar Tandulwadkar Assistant Professor Dept. of CSBS

- **Convenor:** Dr. L.A.Hadimani, Head, CSBS

- **Expert/Instructor Details:**
 - Mr. Amey Zare, TCS Pne.

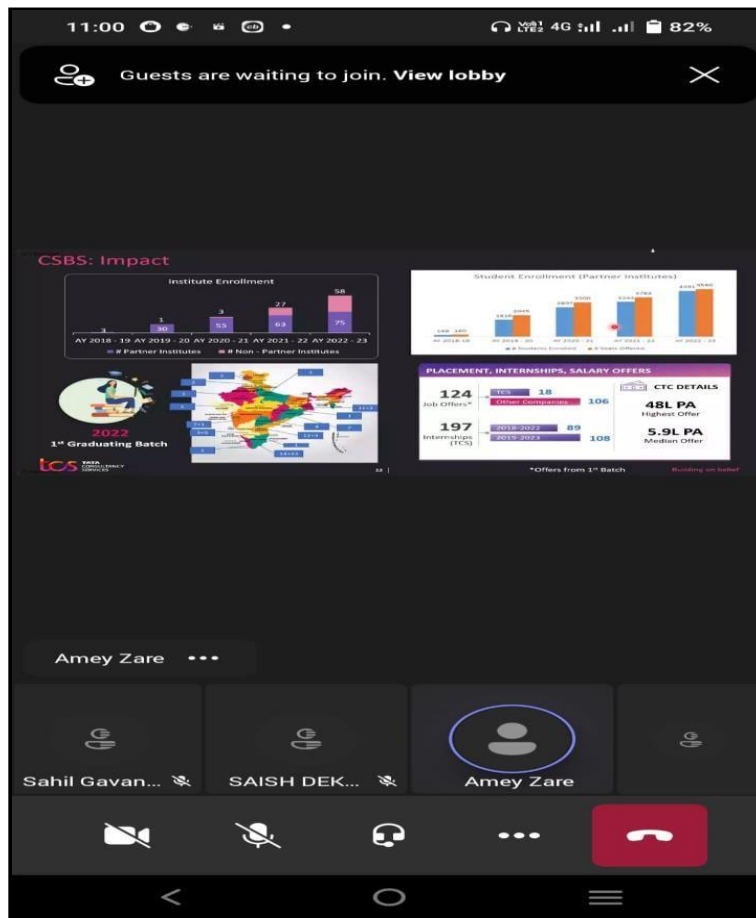

4. Contents:

- Emerging trends.
- innovative pedagogical methods

Details:-

TCS FDP on Fundamentals of Computer Science

The recent Faculty Development Program (FDP) on the Fundamentals of Computer Science was a comprehensive initiative aimed at enhancing the teaching capabilities of faculty members. The program covered a spectrum of topics, including core concepts in computer science, emerging trends, and innovative pedagogical methods. Faculty members actively engaged in discussions, hands-on activities, and collaborative learning, gaining insights into effective teaching strategies. The FDP played a pivotal role in equipping educators with the latest knowledge and approaches, ensuring a more enriching educational experience for students in the realm of computer science.

Activity 05

5. Name of the Activity:- TCS FDP on Object Oriented Programming lab

- **Date and Time:** 16th October 2023 (One Day) from 09:30 am to 4:30 pm
- **Mode:** Online
- **Venue :** Online
- **Attendees:** All CSBS Students & Faculty
- **Coordinators:** Mrs. Madhuri Thorwat Assistant Professor Dept. of CSBS
- **Convenor:** Dr. L.A.Hadimani, Head, CSBS
- **Expert/Instructor Details:**
 - Mr. Amey Zare, TCS Pne.

6. Contents:

- Pedagogical techniques
- Effective assessment strategies.

Details:-

TCS FDP on Object Oriented Programming lab

The recently conducted Faculty Development Program (FDP) on Object-Oriented Programming Lab focused on refining teaching methodologies and practical aspects. It provided insights into fundamental and advanced concepts, hands-on practice, pedagogical techniques, and effective assessment strategies. The FDP aimed to enhance the overall quality of OOP lab sessions, contributing to a dynamic and improved learning environment. Participants gained valuable skills and knowledge to address challenges and elevate the academic excellence of the institution in Object-Oriented Programming.

Activity 06

Name of the Activity:- One day Workshop on “Taking the first step of your Professional careers with CSBS

- **Date and Time:** 27th October 2023 (One Day) from 09:30 am to 4:30 pm
- **Mode:** Online
- **Venue :** Online
- **Attendees:** All FY CSBS Students
- **Coordinators:** Mr.. Bhukya Nageshwar Rao Assistant Professor Dept. of CSBS
- **Convenor:** Dr. L.A.Hadimani, Head, CSBS
- **Expert/Instructor Details:**
 - Mr. Amey Zare, TCS Pne.

Contents:

- Industry Expectations
- Career Planning.
- Business System Domain

Details:-

One day Workshop on “Taking the first step of your professional careers with CSBS”

The one-day workshop on "First Step of Your Professional Careers with CSBS" conducted in online mode by Mr. Amey Zare from TCS was a transformative experience for Students. The workshop, facilitated by an industry expert, delved into crucial aspects of launching a successful professional journey in the Computer Science and Business Systems domain. Attendees gained valuable insights into industry expectations, career planning, and essential skills for success. Mr. Zare's expertise and real-world perspectives added practical depth to the workshop, empowering participants with the knowledge and confidence needed to take their first steps toward a successful professional career in CSBS.

Activity 07

Name of the Activity:- Two days' workshop on "Web Development

- **Date and Time:** 05th to 06th November 2023
- **Mode:** Offline
- **Venue :** CSBS Lab 01 and 02
- **Attendees:** All SY CSBS Students
- **Convenor:** Dr. L.A.Hadimani, Head, CSBS
- **Expert/Instructor Details:**
 - Mr. Ajay Kapase Asst. Prof. CSE Dept.

Contents:

- Web Development Technologies.
- Designing and building functional Web Sites

Details:-

Two days' workshop on "Web Development"

The two-day workshop on web development conducted by Mr. Ajay Kapse from the Computer Science and Engineering Department for second-year CSBS students was a comprehensive learning experience. Focused on practical skills and industry relevance, the workshop provided students with hands-on training in web development technologies. Covering key concepts and tools, Mr. Kapse guided students through the intricacies of designing and building functional websites. The workshop not only enhanced technical proficiency but also fostered a deeper understanding of current trends and best practices in web development. Participants gained valuable insights into creating dynamic and visually appealing web solutions, laying a strong foundation for their future endeavors in the field.

Activity 08

Name of the Activity:- Project Based Learning Day

- **Date and Time:** 24th November 2023
- **Mode:** Offline
- **Venue :** CSBS Lab 01 and 02
- **Attendees:** All SY CSBS Students
- **Convenor:** Dr. L.A.Hadimani, Head, CSBS
- **Expert/Instructor Details:**
 - Mr. Abhijeet Patil Tech. Architect (Tcognition Kolhapur)
 - Dr. L.A.Hadimani Head CSBS Dept.

Contents:

- Communication Skills.
- Innovative solution development

Details:-

Project Based Learning Day

The Problem-Based Learning (PBL) activity for second-year students was a dynamic and engaging initiative designed to foster critical thinking and practical problem-solving skills. The students were presented with real-world scenarios, encouraging them to apply their theoretical knowledge to solve complex challenges. Guided by faculty members, the PBL activity aimed to bridge the gap between theory and application, preparing students for the demands of their future careers. Through collaborative efforts, students developed innovative solutions, honed their communication skills, and gained a deeper understanding of the subject matter. The PBL activity not only enriched their learning experience but also equipped them with the skills necessary to tackle real-world problems in their respective fields. Mr.Abhijeet Patil, Tech. Architect (Tcognition Kolhapur.) invited as external evaluator.

Department of Computer Science and Business Systems

Activity 09

1. Name of Event : Tech-Negotia
2. Date of Event: 25th February 2024
3. Name of Department : Computer Science and Business Systems
4. Theme of Event: Innovation to negotiation –Thinking of new ideas and proving yours is best.
5. Objective of Event: The Objective of Technegotia is to provide participants with real – world business scenarios within a virtual context, challenging them to think critically, strategize effectively, and propose innovation solutions.
6. Outcome of the Event: Participants will enhance their problem-solving skills, business acumen, and adaptability in navigating the complexities of virtual business environments. Better Collaboration and Communication: Technegotia promoted teamwork,idea sharing, and communication skills among participants .Top performers received recognition and networking opportunities, enhancing their professional profiles.
7. Registration Fee: 200/- per group
8. Details of Prize : 1st Prize – Rs 7000+Trophy and 2nd Prize- Rs 5000+Trophy
9. No. of Registrations: 65 groups
10. Details of Event Rules and Regulations: Round 1: There will be group of Four Teams,and this group will be assigned with same problem statement and they required to delve into the respective problems, formulate solutions, and to prepare a comprehensive

report or presentation. Round 2: In the second round, top 2 teams of every problem statement will have to negotiate and put in front their ideas and solutions to the problem and showcase how their respective solution is better than the other one and why would their solution model needs to be approved. Round 3: Surprise round for the teams selected from round 2 (slight idea : this round is based on decision making and problem solving, as well)

11. Details of Sponsors : Title Sponser: 1. For Iconic Costings Private Limited
2. Navtarang Laptop Shop Other

Sponsors: 1. Sonai Engineering Private Foundry

2. Flames Engineering,
3. General Machine Tools,
4. Rajeshirke Brothers,
5. RAW GYM,
6. Infinite Opportunitites,

12. Details of Judge/Guests: : 1) Dr leeAna sane - CORPORATE TRAINER , AUTHOR

2) Dr. Sudhir Arali - CEO KIT IRF

3) Sameer desphande - Assitent professor MBA

13. Participants Colleges : DYP Bawda, DYP Salokhenagar, DOT Kolhapur, Amrita University , KIT and Government Polytechnique Kolhapur.

14. Name of Winners : 1st Prize : Nupur Sucharith – DYPCET (9860436115)

2nd Prize: Prajwal Khandait-KIT(9561001203)

15. Faculty Coordinator : Mr. Onkar Tandulwadkar

16. Student Coordinator : Shivendra Desai (CABSSA President)
