

Society Of Women Engineers

SWE, Kolhapur Affiliate

Aim of the Club: To become catalyst in change for women “The Society of Women Engineers is the world’s largest advocate and catalyst for change for women in engineering and technology.”

SWE Vision :

A world with gender parity and equality in engineering and technology.

SWE Mission :

Empower women to achieve their full potential in careers as engineers and leaders; expand the image of the engineering and technology professions as a positive force in improving the quality of life, and demonstrate the value of diversity and inclusion.

Objectives:

- ☐ To conduct orientation programs for under privileged school students and attracting them towards Engineering and Technology.
- ☐ SWE Next Club Formation for STEM Related Activity: as per the Next Club STEM Related Activities guidelines.
